CLASS HISTORY

The year, 1955, the month, September, the place, Navarre High School, the characters, 54 young, greeny freshmen.

Act I

Our advisors Mr. Bridweiser and Miss Humes finally got us settled down in our home room. Our high school career started by electing officers as follows: President, Allan Putt; Vice-President, Richard Noftsinger; Secretary, Helen Sewell; Treasurer, Myra Piper. Student Council Representatives were: Allan Putt, Jerry Wallar, and Carol Luckring. The whole class picked as attendant to the Homecoming Queen, Judy Haas. We sponsored several dances during the year.

Act II

One year later we walked in the doors of Navarre High as the older Sophomores. We were now on our way. Miss O'Dell and Mr. Bridweiser were our advisors for this exciting year. We chose as officers the following: President, Carol Luckring; Vice-President, Judy Haas; Secretary, Nancy Gerber; and Treasurer, Myra Piper. We chose Carol Luckring, Judy Sago and Allan Putt for Student Council. They all did a wonderful job in enlarging our class fund. We also held several paper drives and dances to help. Everyone looked forward to choosing our class jackets. We finally, chose red jackets with gray lettering. We were very proud to wear them. In the spring, Carol Luckring, Myra Piper, Mary Lou Define were chosen as cheerleaders. Karen Fowler made a charming attendant to the queen. The year went so fast, that it seemed no time at all before we were Juniors.

Act III

If we thought our Sophomore year was busy, this year was busier yet. We chose as officers the following: President, Gary McCusker; Vice-President, Kenny Airhart; Secretary, Judy Haas; and

Treasurer, Myra Piper. Student Council members were: Gary McCusker, Allan Putt and Carol Martin. Then we started in trying to raise money for the annual Junior - Senior Prom. We worked faithfully in the Junior Gyp Joint at both football and basketball games. It paid off in a nice profit. Lavonne Boughman made an attractive attendant to the queen. Later we finally decided, after a tedious job, on our beautiful class rings. They were called "Thunderbirds." Our class was the first to get these. In the spring we happily presented our play "Arsenic and Old Lace" which was a lot of fun. And finally the biggest event of this struggling year the Junior - Senior Prom. It was held May 3rd, in the beautiful ballroom of the St. Francis Hotel. Everyone enjoyed themselves.

Act IV

Well, we finally made it into our Senior year. There are only 40 of us left to enjoy it. We acquired a new advisor, Mrs. Evans, and Mr. Bridweiser is still our faithful advisor. We chose as officers for our last year as follows: President, Richard Tormasi; Vice-President, David Grimm; Secretary, June Boughman; and Treasurer, Myra Piper. Student Council Representatives are: Richard Tormasi, Carol Martin, and Carol Luckring. We were proud to have Allan Putt, Jim Evans, and Gary McCusker as Tri-Captains of our football team. For our Homecoming Game, Judy Haas reigned as our lovely queen and Carol Martin made a sweet attendant. December 12th we proudly presented our Senior Play "You Can't Take It With You," which was a very great success. Kenny Airhart was chosen as the first Drum Major to lead the band. The three most exciting events that concluded our Senior year at Navarre High were the Prom, held at the Alliance Country Club, graduation, and the Senior Trip to New York City and Washington D.C.

Congratulations

Class of 1958

Your eagerness to take the next step toward attaining the goals you have established is of particular interest to the E. W. Bliss Company.

Even as you have progressed to the completion of high school during the school year 1957 - 58, the Bliss Company celebrated its centennial year in 1957 and now in 1958, faces the challenge of its second hundred years of making metal work for mankind.

As we face the coming year, let us remember that to meet and overcome the challenges of the future we must have knowledge, and education is the avenue to that knowledge.

From the time we are born
 We beat the "drem" and blow a horn.
 We do de - "clarinet"
 Some of you may appear in "Coronet"
 Be it trumpet, trombone, or sax
 Just remember old and new facts.
 If you find you haven't got the loot
 You could always play the flute.
 We always want to keep in step
 And most of all the school spirit hep.
 Everyone's life can't be put into a thimble
 So now the cap and gown is your "cymbol."
 Please don't consider us a "lyre"
 When we say "Congratulations."

Meet 3rd Monday of Every Month

Squawk Box

You can squawk all you want about how your government is being run. You can squawk to your family, your neighbors, the boys at the shop, or your barber—anyone who'll listen. Or you can praise your government. But your squawks and praise won't pay off unless you deposit them in the ballot box.

The right to a secret ballot gives you an actual voice in your government. By casting your ballot at election time, you can help decide who is going to run the show.

It's not like this in every country. Behind the Iron Curtain there's a lot to squawk about. But people have to keep it to themselves. If you complain out loud, you may get a one-way ticket to Siberia. At election time you may get a ballot, but there'll only be one person to vote for.

But in America you can choose. And choosing means that you've got to do some serious thinking to make sure you vote for the right man.

The secret ballot is a right you don't exercise every day. But the fact that elections are not daily occurrences makes the right all the more important. And the guy who fails to vote has lost the right to squawk.

Think it over—and then make sure you vote. It's your right; so treat it right.
